

AN INNOVATIVE INDEPENDENT STUDY OPPORTUNITY

NOVA Independent Study in Novato Unified School District allows for remote instruction from home or any other location with internet access. NOVA offers unique enrollment options for elementary, middle, and high school students for a complete online instruction experience. High school students also have the opportunity to dual enroll in their school of residence and NOVA Independent Study, enabling them to participate in campus activities as well.

- **In-person and online instruction**
- **Field trips**
- **Free to all students**
- **SEL (social-emotional learning) integration**
- **K-12 enrollment (Currently 1-12, K offered beginning 23-24 year)**
- **A-G Courses**
- **Library access and digital subscriptions**
- **Access to extracurricular activities***
- **Electives, and athletic opportunities***
